Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. What does God say about you? What do you say about yourself? Are they the same things? God called Abram a father of many nations. But to Abram, all natural circumstances said, There ain't no way you gonna be a father of many nations. You can't have one son, let alone many. All hope of the man becoming a father was gone and there was not light at the end of the tunnel, so-to-speak. But Abram decided to do what God did and call himself a father of many nations, that's what Abraham means. So, every time the man said, I am Abraham he was boldly saying, I am a father of many nations. Yes, his wife was unable to have any children but that didn't matter because when the man lined his confession up with God's confession a miracle happened. After his confession lined up there was suddenly many nations in Abraham's seed.
