Here s How to Analyze People Instantly! Book 2 in The Underground Playbook for Analyzing People Book Series Are you a man who is wondering whether or not a particular woman is interested in you? Are you a woman who is wondering the same thing about a man? Sometimes we read people correctly, and other times we don t. In the first book, we discussed categorizing people by personality type and their known background. We discussed profiling techniques and nine things that FBI agents do when they read people. We looked at the many visual and audible cues people give, including word choices and cues that indicate the person is lying. We also discussed formal personality tests that are available. The emphasis in this book is on reading romantic cues. We will also discuss how men and women send signals to each other with their body language and also how couples tell others about their relationship through their combined body language. This book will cover the Art of Body Language. Here s a little overview of what we ll cover: Personality types Perception How to Read Body Language Mirroring Body Language Psychology The Language of Love Body Language Analysis Case Studies (Melania and Donald Trump included!) Now s your chance to get a spidey-sense for reading body language when you interact with people! It s never too late to start learning how to analyze people with body language.
