Rusty is a sensitive boy who is dismayed to learn that the father he loves is a thief. His affection for his father never falters and when his father becomes involved in a prison escape against his will, he learns that his father can also be a hero. Willie is also involved in several misguided attempts to remove his grandmother from an old people s home, with Rusty and Sylvester lending a helping hand where they can! The three friends also come up with a plan to break down Sylvester s grandparents prejudice against his white mother, but will it be effective? It is an engaging book about family, friends and childhood that will be enjoyed by children aged 9 and up.
