MULTI-FRACTAL STOCHASTIC MODELING OF THE AURORAL ELECTROJET INDEX

Condition: New. Publisher/Verlag: LAP Lambert Academic Publishing | In this thesis we have analyzed the Auroral Electrojet (AE) Index over the years 2000 to 2005, a time series consisting of over 3 000 000 data points. This data is described as a multi- fractal stochastic process. We first introduce a class of random multiplicative measures, which provide the multi-fractality in the stochastic processes. We also review the theory of fractal dimensions and scaling functions, before introducing the Multifractal Model of...
