The Lands of Nod is a fantasy book for all ages, with many characters and turns and twists to it. It is the beginning of a trilogy. It is the first book of three. Far, far away beyond the foaming 7 seas, beneath the countless glistening stars, in the endless eternal skies, imbedded in the realms of unconsciousness lies the timeless ever-changing lands of Nod. Surrounded by a fierce raging ocean, covered in a dreamy mist, the land holds many tales of lore and mystery. She is filled with the gurgles of sparking mountain streams, lush green rolling hills, grassy knolls, craggy cliffs, majestic mountains, barren wastelands and deep forests of whispering pines. You cannot travel there by land, or by sea, only by way of the deep abyss of your unconsciousness, through the tunnels and passages of your dreams, beyond the realms of reality, deep in the shadows of fantasy.
