Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Every Day Mouth Hygiene Decay is not a normal condition of the mouth. Cleanliness of the teeth and gums will absolutely prevent decay, and may sometimes cure it. Up to the present all methods of cleansing the mouth have been failures, as they have not thoroughly removed the mass of infection from between the teeth and the surface of the gums. Mouth disease spreads throughout the body, causing prolonged sickness and death. It is hoped that this little book will be an inspiration to loving mothers and conscientious nurses, so that future generations will acquire the correct principles of mouth cleansing, and thus the terrible disease of mouth infection will be banished from the human race. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
