Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from A Modern Phonic Primer, Vol. 2 Experiments conducted by the authors showed them that the most interesting subjects of reading lessons for children in Part II grade are; first, stories about familiar animals and domestic pets; second, stories of children in action, games, adventures, etc.; and third, the standard nursery or Mother Goose stories. Myths and fairy stories were less strongly attractive than in the junior second classes. This book is made up of a judicious apportionment of matter from the first three groups of subjects.
