He was an assassin, hiding in a uniform. He kept quiet in church while his partner and his captain made it safe for him to return to work. Suddenly, he s snatched out of the church by contradiction-loving pagans. When they drag him to the jungle he finds his captain is his enemy, his partner may be dead, his partner s son hangs in a temple pit, and sacrifices are made to genetic godlings. Thrown to lions and spiders and snakes with a group of people who cannot help him, Markis scrambles to survive. It s tough being a male sister, but Markis isn t afraid to use what he learned in the church. A gauntlet of wild monsters intends to eat his team. The captain has the upper hand and intends to win. But the captain kidnapped the wrong man s son. Markis is hard to kill when he s angry. He s got a fist full of church and murder, and this time the nun won t stop.
