Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.I Dedicate to Love, a collection of elegantly interwoven sensually provocative poems from the genius of H.L. Nichols. Seldom do you find a contemporary poet with the wordplay of a language scholar with such competency in the usage of the urban vernacular, particularly one capable of using them in the same piece. There is an art like quality to the abstract freestyle approach; the creation of movement through the meaningful expression of words. It is difficult not to be baited, not to be drawn in and not to be engaged. It is most difficult to escape the thought that each verse was placed for a purpose with a depth and meaning all its own. You find yourself digging for the treasure, wanting to be on the next page. Included in I Dedicate to Love are love poems to be considered the poet's finest works: She Comes to Me In Dreams, I Paint Pictures, It Was You, We Made Wow and In This Chair. An ideal Valentine's, wedding and or anniversary gift. There are few things that are as intimate as reading poetry to the one you love. To say, I love you, or, I've been thinking of you. A chilled glass of your favorite wine and smooth music will set the mood to get into I Dedicate to Love. (From I Relapse) I relapse 92 of heroin addicts 70 of convicts that keep coming back Like water I run to river and sea Believe the Pied Piper, See me Your lips within me, heart shivers And my spine pines and tingles Like a crack fiend wanting crack Like love wanting you back...
