

Mymathlab for Squires/Wyrick Developmental Math: Prealgebra, Introductory Algebra and Intermediate Algebra - Access Card

By John Squires, Karen Wyrick

Pearson Education (US), United States, 2013. Online resource. Book Condition: New. Student. 228 x 164 mm. Language: English . Brand New Book. ALERT: Before you purchase, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of Pearson s MyLab Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, you may need a CourseID, provided by your instructor, to register for and use Pearson s MyLab Mastering products. Packages Access codes for Pearson s MyLab Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase. Used or rental books If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code. Access codes Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase. -- John Squires and Karen Wyrick have drawn upon their successes in the classroom and...
