Elsevier - Health Sciences Division, United States, 2016. Paperback. Condition: New. 4th Revised edition. Language: English . Brand New Book. Learn with the most trusted pharmacology text written specifically for surgical technologists! Pharmacology for the Surgical Technologist, 4th Edition ensures that as an integral member of the operating room team, you have an in-depth understanding of surgical medications. It covers everything from basic conversions, terminology, and calculations to anesthesia and medications used for perioperative care. This edition adds coverage of next-generation antibiotics, new technology in orthopedics, advances in cataract surgery, and more - plus a full-color design and expanded art program. An Evolve companion website lets you practice drug calculations. Written by experienced Surgical Technology educators Katherine Snyder and Chris Keegan, this book covers all areas of pharmacology that are designated in the Core Curriculum for Surgical Technology, 6th Edition. Coverage of pharmacology meets the needs of the Surgical Technologist and includes all areas designated in the Core Curriculum for Surgical Technology, 6th Edition. Chapter study questions help you measure your knowledge and apply it to practice, and serve as a review tool for classroom and certification exams. Clinical features include Tech Tips from experts, Caution boxes with drug alerts to help prevent potential patient harm, and Notes simplifying difficult concepts. Insight boxes provide in-depth, cutting-edge information about a specific product, procedure, or process. Concise three-part organization makes it easier to understand 1) the foundations of pharmacology, mathematics, and drug administration, 2) applications of pharmacology to the surgical environment, and 3) preoperative medications, types of anesthesia, and emergency situations. Evolve companion website includes exercises allowing you to practice math calculations, as well as drug monographs from Mosby's Essential Drugs for Surgical Technology. Advanced Practice boxes provide information and advice on issues and applications that help you advance to the role of Surgical Assistant. Trusted authors Kathy...
