

Rudimental Snare Drum Grooves (Paperback)

By Johnny Lee Lane

Hal Leonard Corporation, United States, 2009. Paperback. Condition: New. Language: English . Brand New Book. (Percussion). This dynamic guide is a creative and methodical array of hot, grooving, dexterity-building, rudimental exercises. Each series of grooves is divided into seven sections that are one-hand, single-stroke, diddle, flam, drag, roll, and rudiment combinations. Rudimental Snare Drum Grooves is intended to serve as a bridge between beginning and more advanced player methods. This method enables you to approach each rudiment as a rhythmic study, allowing for a more groove-driven sound while performing rudiments. The accompanying CD provides professionally performed demonstrations of all the grooves shown in the book.
