Like any other waitress, Dina Lee has big dreams. She wants a new life, a better life-she wants romantic adventure, especially since her last two relationships were disasters. When, out of the blue, she receives an anonymous gift to travel first class to three of the most exciting and exotic cities in the world during the Christmas season, she is stunned, conflicted and skeptical. Who would give her such a gift? What would they want in return? Is it too good to be true? Dina is assured by her benefactor s representative that it is indeed true, and that Dina s anonymous patron wants nothing from Dina in return. Dina s best friend finally convinces her to accept the gift, and Dina is soon on her way to Paris, Rome and New York. Her adventures are far beyond what she could have ever imagined-beyond her wildest dreams. On one of her first exhilarating days, she has an unexpected encounter with a handsome mystery man. The days and nights are magical and she finds herself falling in love with the alluring, enigmatic man who, she believes, is also falling in love with her. Will Dina learn who her mystery benefactor is? Can the love she feels for the illusive man continue after she returns home-when her Cinderella moment is over? And will Dina give the miracle of love a chance when she learns the truth?.
