Paw Prints, 2008. Hard Cover. Condition: New. Jos. A. Smith (cover) (illustrator). Eight years after the end of Mr. Chesney's offworld Pilgrim Parties, the Wizards' University is in a shambles. Wizard Derk's griffin daughter Elda and her fellow first-year students encounter tyrannical rumors, boring lectures, and truly terrible refectory food. But things get even worse when the University sends a letter to each of their families begging for funds. Now Elda and her friends must contend with a band of trained assassins, a flock of renegade griffins, and an unexpected trip to the moon. Even with all the magical means at their disposal, will they make it through their first year? -- Paw Prints library edition. Book is in brand spanking new condition (even though two pages have little bump/creases in the bottom corner); it has never been to a library or collected any library markings, stickers, or card pockets.
