Reviews

This ebook will be worth acquiring. It is actually written in basic phrases instead of hard to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

Oxford University Press Inc, United States, 2000. Paperback. Condition: New. Revised ed.. Language: English . Brand New Book. In this new translation of Euripides celebrated Greek tragedy, W.S. Merwin and George E. Dimock, Jr. offer a compelling look at the devastating consequence of man's inhumanity to man . A stern critique of Greek culture, Iphigeneia at Aulis condemns the Trojan War by depicting the power of political ambition and the ensuing repercussions of thoughtlessly falling to the will of constituency. The translation impressively re-creates the broad array of moral and emotional tones conveyed by Euripides, with a comprehensive introduction, notes on the text, and a glossary of mythical and geographical terms.
