It is an adventure history. initially striking the search for oil. and then participate in the development of the entire Middle East. North Africa. the North Sea and North America. and then later in the same exciting development in Persia. It is a film about the history of human creativity and struggle. is a whole new industry in extremely difficult conditions. developers hide in the history of the development of the underground wealth. This is a full of conspiracy struggle. political theater. with the fate of the British Petroleum countries to compete for the struggle to control the world's precious resources intertwined. This is a picture of centuries of social development. and all aspects of life. from motorcycles to plastic bags. almost all dependent on oil products. The book is bound to only give a brief. many things have to abandon or only for some of the instructions that came. The survival and development of the company's contribution can only pick and choose some brief. BP's history shows that as long as people can collaborate to build a weathered perennial enduring organization. of course. people experienced a variety of environmental test. As I understand it. a company that many people benefit combination with common business Industry. But I am first of all a...
