Bloomsbury Publishing PLC, United Kingdom, 2012. Paperback. Condition: New. 2nd Revised edition. Language: English . Brand New Book. Brecht s most important treatise on theatre The Messingkauf dialogues are the longest but in some ways the most light hearted of all Brecht s discussions of theatre. Here Actor, Actress, Dramaturg (or literary adviser) and Electrician argue with the Brechtian Philosopher who wants to exploit their talent for his own purposes. The result is a lively debate about the place of art in society.
