Reviews

The publication is great and fantastic. I actually have read through and i am sure that i am going to planning to go through yet again yet again down the road. I realized this pdf from my dad and i encouraged this publication to understand.

THE WOMAN WHO SHOT MUSSOLINI (PAPERBACK)

DOWNLOAD

FABER FABER, United Kingdom, 2011. Paperback. Condition: New. Main. Language: English . Brand New Book. A gripping account of the life and fate of the woman who almost assassinated Benito Mussolini. 7 April 1926: on the steps of the Capitol in Rome, surrounded by chanting Fascists, The Honourable Violet Gibson raises her old revolver and fires at the Italian head of state, Benito Mussolini - the darling of Europe's ruling class. The bullet narrowly misses the dictator's bald head, hitting him in the nose. Of all his would-be assassins, she came closest to changing the course of history. What brought her to this moment? The daughter of an Anglo-Irish lord, she had once consorted with royalty and the peerage. Yet terrible unhappiness lurked beneath that glittering surface. She loved Italy and when Mussolini's thugs took it into the moral cesspit of Fascism, she felt she had to act. She paid for it for the rest of her life, confined to a lunatic asylum, like other difficult women of her class. Frances Stonor Saunders moving and compulsively readable book rescues this gentle, driven woman from a silent void and restores her dignity and purpose.
