Createspace, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.I loved the book, The Secret. I realized pieces were left out. So I tracked down the missing pieces. This book contains what I found. This book describes how to have fun using the Law of Attraction, or really Resonant Attraction, Manifestation, and adjustment of energies, to benefit yourself and others. It contains the essence of over 200 books, and numerous seminars, on the subject. This book is written along the lines of the Tao Te Ching, Sun Tzu s Art of War, Richard Bach s book Illusions, or Journey to the Ancestral Self, where one can go back to it many times, and get something new and fascinating, each time. One reviewer said this book could be a playbook for life. All reviewers said it was the most complete book they had ever seen, on the subject. The editors of Think and Grow Rich left out a lot of material they felt people weren t ready for. This book fills in most of those gaps, also. We seek out problems for their gifts, because we grow as we solve those problems. You cannot solve a problem out of the same place it was created. You must go to a new level of order. Everything you see in this book, and every human creation, was sought out to solve some problem, by someone in a state of confusion, who didn t have the answer at first, and asked new questions. The Universe has benevolent intentions for you, if you choose to let it work that way. Your default setting is peace, love, joy, healing beauty, happiness, satisfaction, comfort, contentment, and everything that makes life worthwhile. Only you can change the default settings. You...
