

## Teaching in UK Secondary Schools - A Pgce, School Direct and Nqt Starter Guide for That Long Road Ahead (Paperback)

By Hari Indran

Createspace Independent Publishing Platform, 2014. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Getting ready to enter the teaching profession? Overall, the accuracy, attention to detail, thoroughness but economy of diction of this publication almost precludes the necessity for a postgraduate or formal teaching qualification. Clearly written by someone who has been there and done it. Wish I had it four years ago before I started training and will be recommending it to any new trainees I meet. Your starter guide is amazing! I m starting a PGCE in 2 weeks and feel so much more prepared. Really enjoying your book, Hari. Written with so much passion, I can tell. I feel even more assured about my decision. Thanks! During my career, I have worn many different hats, as a Computing and ICT teacher, ICT Co-Ordinator, school based PGCE mentor and a teacher trainer. This book is an amalgamation of my thoughts and strategies utilised over the last decade. It is designed to help new teachers who are entering the profession, or provide insight for those who are undecided. The book covers a number of different aspects, such as planning, organisation, technology and teaching...
