A household name in the United States. leading the 101 series of the new concept of the family culture of so that your child excel. Let the child feel good about themselves is very important to help them develop their potential. A healthy attitude of pride. self-esteem and self-love. children view the world can change and influence their behavior. Let the child feel good about themselves is very important to help them develop their potential. this is a very modern concept. Only 56 years ago. there is this idea - praise the child or encourage a child's sense of pride to make him develop the problems of ego and humility. In the past few decades. these feelings is not allowed by the parents. Fortunately. today. we are now talking about the importance of self-esteem. a better understanding. A healthy pride. self-esteem and self-respect attitude can change the way we look at the world and influence our behavior. Our self-esteem and how to treat others think of us. Since we live in a world of impermanence. the various relationships are always changing. we can never grasp the others. When people hold a positive attitude. which will enhance our good feeling. Others to criticize and to punish us (even criticized). which will enhance our negative feelings and their own suspicion. Self-esteem is not safe - in a moment of our life put into things and sealed up. It's like a hole in the bucket (the vulnerability of some of our bigger). so must constantly be supplemented so that it can maintain a good level after missing some. Success...
