

American Witches: A Broomstick Tour through Four Centuries (Hardback)

By Susan W. Fair

Skyhorse Publishing, United States, 2016. Hardback. Condition: New. Language: English . Brand New Book. The history of American witches is way weirder than you ever imagined. From bewitched pigs hell-bent on revenge to gruesome twentieth-century murders, American Witches reveals strange incidents of witchcraft that have long been swept under the rug as bizarre sidenotes to history. On a tour through history that is both whimsical and startling, we'll encounter seventeenth-century children flying around inside their New England home like geese. We'll meet a father-son team of pious Puritans who embarked on a mission that involved undressing ladies and overseeing hangings. And on the eve of the Civil War, we'll accompany a reporter as he dons a dress and goes searching for witches in New York City's most dangerous neighborhoods. Entertainingly readable and rich in amazing details often left out of today's texts, American Witches casts a flickering torchlight into the dark corners of American history.
