By Caroline Cunningham Eidson

Association for Supervision & Curriculum Deve. Paperback. Book Condition: New. Paperback. 197 pages. Dimensions: 9.8in. x 7.8in. x 0.6in. Join Carol Ann Tomlinson and Caroline Cunningham Eidson in their continuing exploration of how real teachers incorporate differentiation principles and strategies throughout an entire instructional unit. Focusing on the elementary grades, but applicable at all levels, *Differentiation in Practice, Grades K-5* will teach anyone interested in designing and implementing differentiated curriculum how to do so or how to do so more effectively. Inside, you'll find Annotated lesson plans for differentiated units in language arts, social studies, science, and mathematics. Samples of differentiated product assignments, learning contracts, rubrics, and homework handouts. An overview of the non-negotiables in differentiated classrooms and guidelines for using the book as a learning tool. An extended glossary and recommended readings for further exploration of key ideas and strategies. Each unit highlights underlying standards, delineates learning goals, and takes you step by step through the instructional process. Unit developers provide running commentary on their use of flexible grouping and pacing, tiered assignments and assessments, learning contracts, and numerous other strategies. The models and insight presented will inform your own differentiation efforts and help you meet the challenge of mixed-ability...
