

The Unmentionable History of the West

By Nancy Millar

Fitzhenry & Whiteside. Paperback / softback. Book Condition: new. BRAND NEW, The Unmentionable History of the West, Nancy Millar, "The Unmentionable History of the West" is a fond romp through the underwear that men and women wore in days gone by. Think of corsets, navy blue bloomers, long underwear with its trap door and brassieres that could kill. Think also of the other unmentionables that came along with being sexual beings. Women had to hide their pregnancies, talk of birth control was illegal, seduction was a crime, prostitution likewise. There were so many silences, so many secrets about the private lives of men and women. Then along came the 1960s and the social revolution known as the women's movement. Suddenly, underwear was out, girdles were gone and women began wearing pants. What came first then . . . the women's movement or pants? The removal of restrictive underwear or the force that was Gloria Steinem? "The Unmentionable History of the West" tackles these questions seriously, but with a good dose of humour.

Reviews

The most effective publication i at any time read. We have study and i am sure that i will likely to read yet again once again in the foreseeable future. You will not truly feel monotony at anytime of your time (that's what catalogs are for about in the event you request me).

-- **Mr. Rafael Hoeger**

It in a single of the most popular ebook. It really is simplified but excitement in the fifty percent from the pdf. It is extremely difficult to leave it before concluding, once you begin to read the book.
