Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Where and How: A Corporation Hand Book and Comparative Digest of the Laws of Delaware, Maine, Massachusetts, New Jersey; New York and Pennsylvania, Relating to the Formation, Regulation and Taxation of Business Corporations, Arranged by States and in Numbered Paragraphs In the preparation of this edition, the entire work has been thoroughly revised and brought down to date. Part I is a short manual, in non-technical language, on the formation and management of business corporations. In Part II there are set forth, briefly and without comment, the provisions of law of Delaware, Maine, Massachusetts, New Jersey, New York and Pennsylvania, in relation to the formation, regulation and taxation of business corporations. The more important points to be taken into consideration in deciding where to form a business corporation are covered, and detailed information is given as to the procedure to be followed in each state in forming such a company. To facilitate comparison, the matter is arranged according to states and in numbered paragraphs, which deal with the same subject under the same number for each state. The subjects are arranged so as to conform in a general way to the arrangement of the Standard Digest and also to the uniform classification of the corporation manual, edited by the author, thus facilitating reference to those works for more extended treatment of the subjects covered in this handbook. Part III consists of forms and precedents of the various papers used in the incorporation of business companies in each of the states mentioned above. As copies of the Federal Income Tax Act and Regulations may readily be obtained from any Collector or the Commissioner of Internal Revenue, free of charge, it has been...
