Ah, the days of churning butter, fond memories indeed. maybe. I m sure it gave them well toned arms, like the rest of the housework a century ago. Women back then did an amazing amount of work in a 24 hour day. I bet you do some amazing things during your days too. Write them down, teach others, share your stories of work and play and everything in between. Here s a great place to start: in these 128 pages. You re an inspiration!.
