Barron s Educational Series, 2017. Paperback. Condition: New. Language: English . Brand New Book. Dramatic, full-color photographs take children on a visual exploration unlike all others! The books in the Visual Explorers reference series feature page after page of incredible photographs that will engage, inspire, and enlighten young readers. Inside, kids can get up-close look at the world of aviation as they learn about jet planes, helicopters, gliders, and seaplanes. They ll discover the many jobs these vehicles are used for, how they fly, and how they ve changed the way we travel. Engaging text, detailed facts, and impressive statistics give children exciting scientific insight into the world around them and the universe beyond. A glossary at the end of each book helps reinforce the information. Parents, teachers, and librarians will want to collect all of the books in this series to create a very cool first encyclopedia.
