After much bickering and contentions, they agreed to a cease fire before blood was shed. Terah was a beautiful, curvy, single mother looking for a man to build a relationship. Marcus was only interested in an occasional hook up, nothing serious. When Marcus needs a temporary girlfriend to appease his mother, he turned to Terah for help. Will close proximity make them admit that there is more to their relationship than fussing and fighting? Could it possibly be love? Join Marcus Ramsey from Fat With Benefits when he discovers that with the right woman, love is worth taking a chance. This is Part 2 of The Fat Series. Each book is a stand alone novel with no cliffhangers.
