

## Listen to the Trees (Hardback)

By Don Maccaskill

Whittles Publishing, United Kingdom, 2007. Hardback. Condition: New. Revised ed.. Language: English . Brand New Book. In his introduction, Don MacCaskill wrote modestly, I think I became a naturalist . He was, in fact, one of Scotland s foremost naturalists and a remarkable wildlife photographer as well. In a flashback to his early years in Kilmartin, a village in Argyllshire, we learn of his awakening interest in man s relationship with the wildlife all around him - why was it necessary to kill it? And when accident, or fate, took him into a career in forestry, an inborn love of trees, both in woodland and forest, flourished and became his life. Photography came a little later, mostly as a record of what he was discovering in the natural world, but is of a remarkable quality in a time when modern aids to getting that special photograph of mammal or bird did not exist. This book is an account of his first year at Ardgarten, as a young forester newly out of college. Full of enthusiasm and confidence, he thought he knew everything and there was many an occasion when he had to discover that he didn t! It is an...
