By Frank Borelli

Responder Media, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Based on experience and knowledge gained during his thirty-plus years of service in uniform, the author prepared this Personal Disaster Planning Handbook to offer basic guidance. This handbook addresses emergency preparedness at home, and in a redundant, layered approach if you are required-by law or circumstance-to leave your home. The first sections address the various layers, beginning with you, followed by your home, your vehicle, your backpack, your vest (if you use one) and finally your belt and pockets. Weapons for hunting and defense are discussed, as are an assortment of other tools necessary to survive in austere environments. The final sections of the book provide reference material such as checklists, online resources, recommended websites, and equipment reviews.
