L, THE ILLUMINATOR III. (PAPERBACK)

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. I live in a wonderful, free and diverse world, in perfect health, with fulfilling human relationships, where everything is just perfect. If you think in the same way, then just read this adventurous tripartite epic of creation because of the experience, which leads you hand in hand, step by step, out of the rabbit hole. If you do not see the life as described above, then the dissatisfaction and feud will just grow and grow in your life until you will be forced to understand what you are actually live in. Being short of breath and peace, this information will find you and in some way or other it will make you change. It is up to you that you choose the conscious way or suffer through the events that you will face. You move the pinball arms or you are the ball which is moved by your own world. /KIAS/ Welcome to an enthralling adventure where that rather questionable barrier between fiction and reality ceases to be a solid wall. Cross the line and join the lead characters as they embark on a bold and entertaining journey through space and time-a time-travel experience which leads us to a better understanding of the multiple levels of our universe. Are you ready to step out of your comfort zone and break the chains of the ancient taboos and dogmas planted in your head? By the end of this story you ll get to a point where you re no longer just driftwood on the river of your emotions and thoughts but a conscious, serene observer of the world who is able to find a middle way between sense and sensibility. From the...
