Touchstone. Paperback. Condition: New. 272 pages. The Internet isnt all cat videos. Theres also Felicia Day - violinist, filmmaker, Internet entrepreneur, compulsive gamer and former lonely homeschooled girl who overcame her isolated childhood to become the ruler of a new world . . . or at least semi-influential in the world of Internet geeks and Goodreads book clubs. After growing up in the south where she was homeschooled for hippie reasons, Felicia moved to Hollywood to pursue her dream of becoming an actress and was immediately typecast as a crazy cat-lady secretary. But Felicias misadventures in Hollywood led her to produce her own web series, own her own production company and become an Internet star. Felicias short-ish life and her rags-to-riches rise to Internet fame launched her career as one of the most influential creators in new media. Now, Felicias strange world is filled with thoughts on creativity, video games, and a dash of mild feminist activism - just like her memoir. Hilarious and inspirational, *Youre Never Weird on the Internet (Almost)* is proof that everyone should embrace what makes them different and be brave enough to share it with the world, because anything is possible now - even for a digital misfit. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
