By Don DeLillo

Pan MacMillan, United Kingdom, 2017. Paperback. Condition: New. Main Market Ed.. Language: English . Brand New Book. Jeffrey Lockhart has been summoned to The Convergence: a remote and secret compound where death is exquisitely, cryogenically controlled. He is there to say goodbye to his stepmother, Artis, who has chosen to surrender her dying body; preserving it until a future time when biomedical advances and new technologies can return her to a life of transcendent promise. And his healthy father, Ross, might join her. Hypnotic and seductive, Zero K is a visionary novel about the legacies we leave, the nobility of death, and the ultimate worth of the mingled astonishments of our time, here, on earth.
