

The Heterodox Yoder (Paperback)

By Paul Martens

Wipf Stock Publishers, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Description: The Heterodox Yoder provides a critical rereading of Yoder s corpus through his own conviction that discipleship is, most basically, ethics. Tracing the development of Yoder s theological foundations through to their final role in redefining Jewish-Christian and ecumenical relations, this volume explains why the appropriation and use of the language of politics eventually constrains Yoder s ethical vision to the point that it reframes Christianity within the limits of social ethics alone.
