CHARLIE BUILDS: BRIDGES, SKYSCRAPERS, DOGHOUSES, AND MORE!

Abrams, United States, 2017. Board book. Condition: New. Language: English . Brand New Book. Charlie and his dad build everything together. They build sandcastles at the beach, they build blocks in Dad s office, and they even build a doghouse for Rocky and a tree house high above the backyard. But Charlie s favourite thing to build is a pillow fort where he and Dad can cuddle together. This tender board book combines the perennial concept of construction with a tender tale about the importance of quality time shared between father and son.
