I am an elementary school teacher and we love this book [Sully P. Snooferpoot s Amazing New Shadow] in my classroom. My students love the quiriness that makes Sully so special. I believe that this book helps students identify how their individual quirks actually make them unique. Jorb [Children s Picture Book, Self-Esteem, Imagination, Friendship] There were some pretty scary kids at Sully s school. This made Sully a little nervous about going. Then one day his mom bought him a forcefield! With his new forcefield, there was really nothing to fear. In fact, Sully was soon surprised by how great his forcefield made everything. However, once Sully makes a new friend, he finds out that maybe his forcefield was not quite as necessary as he had originally thought. Sully P.
