CHINA AT WAR: AN ENCYCLOPEDIA (HARDBACK)

To read **China at War: An Encyclopedia (Hardback)** PDF, remember to access the web link listed below and download the ebook or gain access to additional information which might be have conjunction with CHINA AT WAR: AN ENCYCLOPEDIA (HARDBACK) ebook.

Pentagon Press, India, 2012. Hardback. Condition: New. Language: N/A. Brand New Book. China has played an increasingly important role on the international stage in recent years. It is now well on its way to becoming a world superpower and a military juggernaut. Understanding the Chinese perspective on war, military strategy, and national security is now of critical importance?and examining China s extensive military history can provide great insight into what the future may bring. As the first book of its kind, *China at War: An Encyclopedia* expands far beyond the conventional military history book that is focused on describing key wars, battles, military leaders, and influential events. Xiaobing Li--an expert writer in the subjects of Asian history and military affairs--provides not only a broad, chronological account of China s long military history, but also addresses Chinese values, concepts, and attitudes regarding war. As a result, readers can better understand the wider sociopolitical history of the most populous and one of the largest countries in the world--and grasp the complex security concerns and strategic calculations often behind China s decision-making process. This encyclopedia contains an introductory essay written to place the reference entries within a larger contextual framework, allowing students to compare Chinese with Western and American views and approaches to war. Topics among the hundreds of entries by experts in the field include Sunzi s classic *The Art of War*, Mao Zedong s guerrilla warfare in the 20th century, Chinese involvement in the Korean War and Vietnam War, and China s nuclear program in the 21st century.
