

Better Aid Managing Development Resources: The Use of Country Systems in Public Financial Management (Paperback)

By OECD Publishing

Organization for Economic Co-operation and Development (OECD), France, 2009. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Successful development depends in large part on the efficiency, integrity and effectiveness with which the state raises, manages and expends public resources. Improving the rules and institutions governing these activities should be a major component, therefore, of any development approach. Given that strengthening Public Financial Management (PFM) is at the heart of the Millennium Development Goals, and good governance more generally, the Paris Declaration (2005) seeks to promote joint efforts in this area between donors and partner countries. In particular, partner authorities committed to strengthening their PFM systems and donors committed to using those systems to the maximum extent possible. The Joint Venture on Public Financial Management, bringing together donors and partner authorities, was created to facilitate the implementation of the Paris Declaration as it relates to PFM. As part of the Joint Venture s ongoing work in this area, this report takes stock of progress and provides recommendations on how best to facilitate achieving the 2010 targets set out in the Paris Declaration. It: - Sets out the benefits of and rationale for using country systems, -...
