First edition. hether you run a giant corporation or work in a small business, it?s more than likely that you regularly deal with people of different cultures?from customers and suppliers to salespeople and colleagues. It simply can?t be overstated: You will have trouble succeeding in business today if you don?t appreciate and know how to actively manage global cultural diversity. *Managing Across Cultures* examines why people around the world behave as they do and provides actionable tactics for succeeding in today?s global business environment.
