*Without doubt, this is actually the best job by any publisher. It is written in basic phrases instead of difficult to understand. You will like the way the author publishes this publication.*

## INFINITY BELL (PAPERBACK)

Penguin Putnam Inc, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book. Return to national bestselling author Devon Monk s heartpounding House Immortal series, where eleven powerful Houses control the world and all its resources. But now, the treaty between them has been broken, and no one--not even the immortal galvanized--is safe. Matilda Case isn t normal. Normal people aren t stitched together, inhumanly strong, and ageless, as she and the other galvanized are. Normal people s bodies don t hold the secret to immortality--something the powerful Houses will kill to possess. And normal people don t know that they re going to die in a few days. Matilda s fight to protect the people she loves triggered a chaotic war between the Houses and shattered the world s peace. On the run, she must find a way to stop the repeat of the ancient time experiment that gifted her and the other galvanized with immortality. Because this time, it will destroy her and everything she holds dear. Caught in a cat-and-mouse game of lies, betrayal, and unseen foes, Matilda must fight to save the world from utter destruction. But time itself is her enemy, and every second brings her one step closer to disaster.
