Turtleback Books, 2017. Hardback. Condition: New. Bound for Schools Libraries ed.. Language: English . Brand New Book. Spider-Man meets Animorphs in this thrilling new middle grade series from Lisa McMann, New York Times bestselling author of the Unwanteds series. Newbery Medal-winning author Katherine Applegate calls Going Wild gripping, action-packed, and filled with humor and heart. Charlie Wilde knew her life would change forever when her family moved from the city of Chicago to the suburbs of Arizona and that was before she found the bracelet. After putting it on, she notices odd things start to happen. Suddenly Charlie seems to have the speed of a cheetah and the strength of an elephant--and that's just the beginning. She would be thrilled about her transformation if she had any idea how to use the device or control her amazing powers. So Charlie is forced to put her trust in new friends to help her uncover the surprising truth behind the mysterious bracelet. Going Wild is perfect for fans of Rick Riordan, Brandon Mull, and Ridley Pearson looking for a new twist on their middle grade adventures. This series blends science fiction with the animal kingdom, highlighting some of the incredible feats that animals can achieve, which might seem possible only in comic books but are actually completely true.
