Reviews

It is one of my personal favorite books. Sure, it is engaging, continues to be an amazing and interesting literature. I am quickly able to possibly get a enjoyment of looking at a published book.

Createspace, United States, 2011. Paperback. Book Condition: New. 254 x 203 mm. Language: English . Brand New Book ***** Print on Demand *****.This interactive workbook was designed to help students see the chronological order of the various people and events they are studying in U.S. History. It begins with colonial America, and includes increasingly larger spaces for the decades, as they move forward towards modern times, to allow more room for the time periods they are more likely to study in greater depth. The journal includes a timeline at the top of each page, space for pictures to be added, and room for notes. This journal can be used and enjoyed by students of all ages.
