CreateSpace Independent Publishing Platform. Paperback. Condition: New. This item is printed on demand. 434 pages. Dimensions: 9.0in. x 6.0in. x 1.1in. Luke's life is about to take a dangerous turn. But first he has to die. In the year 2052, high school sophomore Luke Gibson considers himself an average teenager in a world on the brink of monumental change. Joining his parents and sister, Laura, at the first World Energy Initiative Conference, he is among thousands gathered in a Denver arena to celebrate free renewable energy when a massive earthquake strikes killing everyone in the stadium. The last thing Luke sees before his death is a girl reaching out to him--a stranger whose face he remembers from his dreams. The end, however, is not the end. Suddenly, inexplicably, Luke is back home in Ohio and everything is different. His sister is gone, the victim in an unsolved homicide years before. Angela, his mysterious dream girl, is here also, and the only person besides Luke who recalls the previous reality. And now their determination to uncover the truth about Laura's murder and their transformed world is making them targets--forced to flee for their lives from a nameless shadow organization and a government...

### Reviews

*I actually started out reading this book. It can be packed with wisdom and knowledge I discovered this ebook from my dad and I suggested this book to understand.*

-- Prof. Barney Harris

*This book is definitely not easy to get going on reading through but extremely exciting to see. I am quite late in start reading this one, but better than never. I am pleased to explain how here is the finest book I actually have read inside my individual daily life and may be the best book for ever.*
