

Zenn Diagram (Paperback)

By Wendy Brant

Kids Can Press, United States, 2018. Paperback. Condition: New. Reprint. Language: English . Brand New Book. Eva Walker is a seventeen-year-old math genius. And if that doesn't do wonders for her popularity, there's another thing that makes it even worse: when she touches another person or anything that belongs to them --- from clothes to textbooks to cell phones --- she sees a vision of their emotions. She can read a person's fears and anxieties, their secrets and loves . and what they have yet to learn about calculus. This is helpful for her work as a math tutor, but it means she can never get close to people. Eva avoids touching anyone and everyone. People think it's because she's a clean freak --- with the emphasis on freak --- but it's all she can do to protect herself from other people's issues. Then one day a new student walks into Eva's life. His jacket gives off so much emotional trauma that she falls to the floor. Eva is instantly drawn to Zenn, a handsome and soulful artist who also has a troubled home life, and her feelings only grow when she...

An incredibly awesome publication with perfect and lucid reasons. It can be written in simple phrases and not confusing. I am just delighted to let you know that this is actually the very best publication I actually have studied during my very own lifestyle and could be the best publication for actually.

Basically no terms to explain. I have read and so I am certain that I will go through once again once more in the future. I realized this ebook from my dad and I encouraged this book to discover.
