How to Develop Basketball Skills for Youth Are you a parent of pre-teen or teenage children? If so, chances are pretty good that you have some idea of what kind of sports curriculum your child s school offers. It s a good bet that unless it s a large urban high school the sports department is severely lacking in resources as well as help. More than one youth sports program has risen out of this kind of adversity. Whether you are interested in developing a full-blown neighborhood program or just helping your own kids sharpen their skills Basketball is a great jumping off point (pun intended). Basketball is a clear, concise handbook on basketball basics as they apply to youth. You can print out pages that apply specifically to the skill you want to target with your students. We promise you the basics and that is what you get. Take a look: Basketball Workouts - learn how to warm up properly before beginning play - head, arms, hips, quads, calves and moreBasketball Basics - Defense - how to move quickly form offense to defenseBasketball Basics - Offense - same as above in reverse - how to move quickly from defense to offense.Basketball Basics - Dribbling - how to do it rightBasketball Basics - Passing - learn the right and wrong way and importantly, how to communicate with team members before executionBasketball Basics - Playmaking - how to achieve perfection through preparationBasketball Basics - Rebounding - learn the characteristics of a good rebound playerBasketball Basics - Shooting - learn how to do it right and know what type of shoot to useBasketball Basics - Shooting Drills - what are some...
