CD Archive Canada. Book Condition: BRAND NEW. BRAND NEW Book on CD Rom - The Rev. William Proudfoot was sent, as a missionary, to Canada by a branch of the Presbyterian church in Scotland in 1832. From the time of his appointment he kept a journal, or daily diary, of his activities, his impressions, and of the events in his daily life. This included both professional and secular matters and also seems to have filled the role of account book, as well as his personal reminder. It was from this journal, or more correctly from the collection of many individual volumes of this journal, plus a collection of draft and received letters as well as other family mementos, that Miss Harriet Priddis extracted and recorded this fascinating insight into the life of one of the earliest settlers in the London, Middlesex area of Ontario. I should hasten to add though, that the geographical area covered by this account extends well beyond that area as it starts in Scotland and includes records of many of Rev. Proudfoots excursions along the St. Lawrence waterway and into several other parts of what we now call Ontario (then Upper Canada or Canada West.) Harriet Priddis was given access to the papers by the Proudfoot family and it seemed to have been her plan to extract and copy passages which contained significant historical and genealogical information, publishing them as a series of papers to be presented to the London and Middlesex Historical Society, an organization in which she was a leading light. Unfortunately she died before the third collection was ready and it was only through the intervention of Fred. Landon that the third collection was finally presented. In his introduction to the third episode Mr Landon writes about further episodes but we have not...
