The Hardass Focused and in control at all times. Most people think I m a prick-and I ll be the first to admit that s probably true. But I d rather be a take-no-shit cop than the kind of man genetics says I should be. You break the law, you pay the price. I don t give a damn if you re the captain s daughter or the Queen of friggin England. The Princess I have no patience for the cocky men my father oversees. Or maybe it s just Sergeant Hardass who gets under my skin. Not only is he sexy as sin, he refuses to cut me a break. And now I have to work with the arrogant jerk. I shouldn t want him, but a secret part of me craves his unforgiving edge. He could give me everything I need, but, first, I have to break down his walls. I have to make him bend.
