How To Survive A Hurricane Hurricanes happen every year but some are particularly destructive. Although the early warning systems in place are generally very good at predicting when and where a hurricane will hit, it is important to be prepared. Even the best systems in the world can get it wrong; leaving you with no option but to survive the hurricane in the only way possible; by taking shelter in an internal room and waiting it out. Fortunately, there are a variety of measures you can take to help you deal with these intense storms. The majority of these measures can be taken today and actually cost surprisingly little. Of course, it is difficult to put a price on a human life. This book will help you prepare for and survive a hurricane: Discover what hurricanes are and how they form Learn the top tips for preparing for a hurricane; whether you have hours, days or even minutes. Understand the best way to survive during a hurricane and actions that are likely to get you injured or kill. Find out how to deal with the aftermath of a hurricane; this can be the most difficult time as your life is effectively on hold. There is also an increased risk of disease and infection after the hurricane has passed. Download your E book How To Survive A Hurricane Buy Now with 1-Click button!
