

## Loving Men - Gay Partners, Spirituality, And AIDS

---

By HARDY, Richard P

U.S / Continuum, 1998. Soft cover. Book Condition: New. No Jacket. Containing interviews with 30 men who cared for partners with AIDS, and who all - from both a humanist and religious perspective - recognize that in the act of caring and in the special dynamic that being gay men in a partnership has, this book discusses a deep spiritual component. While several of the interviewees rejected organized religion in their coming out and living as gay men, all suggest that their lives have been deepened through two components of all faiths - the act of service and unconditional love. A 1st edition paperback, in new condition. (191 pages).
