Alfred Music, 2016. Paperback. Condition: New. Language: English . Brand New Book. The Notespeller Sight-Play Book 1 reinforces note-reading skills based on the concepts introduced in the Music Lesson Book 1. Each page of the Notespeller Sight-Play Book has two activities---a written activity and a playing example. The written activity reinforces notes on the keyboard and staff through coloring, circling, drawing, or matching. The sight-play examples help students relate notes and musical concepts to performance on the keyboard, move out of fixed hand positions, and identify melodic and rhythm patterns.
